

STRATHCONA NEWS

JUDGE SCOTT WILL HEAR POLICE INVESTIGATIONS

Adjourned meeting of the Strathcona City Council held last night to consider the police investigation which the council handled over to the county yesterday. All the allegations were presented by Alderman J. G. Tipton.

A formal resolution regarding the charges preferred by Police Officer Harris and appointing Mr. Justice Scott to hold the inquiry was moved by Ald. Elliott, seconded by Ald. Sheppard, and unanimously carried. Acting Mayor Richards stated the fact and City Solicitor Jamieson had visited Edmonton in the afternoon and arranged with Judge Scott to investigate the charges. The earliest day that it would be possible for him to do so would be next Wednesday, and that day was appointed for the commencement of the hearing.

It was decided that Mr. McGee (farmer) be the prosecutor and pay all the expenses of the hearing.

After discussing some other important business the meeting adjourned.

A NOISY CHARIVARI.

A disorderly charivari took place at the home of a newly married resident of Main street, on Saturday night. In the early part of the evening a number of men visited the house, and received the usual reception. Later in the night, about one hundred men, and some women, broke the windows and broke a number of the windows with stones. A repetition of the performance was expected last night, and policemen were on guard to prevent any disturbance.

INTERESTING ENTERTAINMENT

The ladies of Holy Trinity church held a very interesting entertainment last night. The program consisted of a variety of musical and dramatic performances were given by the Strathcona Opera House, which was a most enjoyable evening. Music was also furnished by the Strathcona Orchestra and several piano soloists were given by the lady pianist, Miss Eva Wiley.

LOCALS.

The baseball meeting called for last night did not take place owing to its small attendance. It will likely be held next week.

The sacrament of the Lord's Supper will be administered in the Methodist church, tomorrow morning, at the close of the regular service.

The regular monthly meeting of the Ladies' Aid of the Strathcona House will be held on Monday afternoon in the Council Chamber.

The first football game of the C.F. League will be played at the Agricultural grounds on Monday evening between Strathcona and the Trinity teams.

Stanley Davidson, seller of the Imperial Bank, leaves this afternoon on a three weeks' vacation trip to his home in Prince Albert.

The Strathcona Odd Fellows will go to Fort Saskatchewan Sunday afternoon to celebrate the eightieth anniversary of the Order.

Captain Douglas McInnes, of the Strathcona crack shot, left yesterday for his old home in Glasgow, Scotland, where his parents reside. Corporal McInnes will take part in the Olympic games at Birmingham, England, and will also be one of Canada's team at an international contest which will probably be held in Austria. Some of McInnes' friends gave him a "send off" Thursday night at the Cameron House.

STRATHCONA CHURCHES.

The pulpits of most of the Strathcona churches will be occupied tomorrow by clergymen who are attending the Presbyterian synod in Edmonton. They will be as follows:

Knox Presbyterian—Morning, Principal J. McKay; Vancouver, evening, Rev. Dr. R. P. McKay, returned missionary from Asia.

Methodist—Morning, Rev. G. R. Lang, evening, Rev. W. M. Hochstetler, Western Secretary of the Lord's Day Alliance.

Baptist—Morning, Rev. W. M. Koehler; evening, Rev. Mr. Bowen.

TO REVEAL BIG CONCERN.

Plans for Rehabilitation of Wastewater Company.

New York, May 1.—The merchandise plans for the rehabilitation of the Westinghouse Electric and Manufacturing company have been approved by the representatives of creditors, aggregating \$3,500,000 out of a total of \$4,200,000, of merchandise issued by the company to its creditors.

One of the features of the merchandise creditors' plans is an offer to take stock in the Westinghouse company at par in payment of their claims to an amount aggregating \$4,000,000.

CHURCH SERVICES.

TO PREVENT A NERVOUS BREAKDOWN

Take Dr. Williams' Pink Pills When the First Symptoms are Noticed and Save Yourself Much Suffering.

Are you troubled with pallor, loss of spirit, waves of heat, pounding heart, the body, shortness of breath after slight exertion, a general skipping of the heart beat, poor digestion, cold hands or feet, or a feeling of weight and fatigue? Do not make the mistake of thinking that these are diseases in themselves and be satisfied with waiting for the time being.

This is the way that the nerves give warning that they are breaking down. It means that the blood has become impure and thin, and cannot carry enough nourishment to the nerves to keep them strong.

There is only one way to prevent the first breakdown of the nerves and to insure serious diseases which follow. The blood must be made rich, red and pure, and Dr. Williams' Pink Pills is the only medicine that can do this promptly and effectively.

Every one of this medicine helps make new blood and strengthens the weak or worn-out nerves.

Dr. David J. Tapley, Fredericton, N. B., was cured by Dr. Williams' Pink Pills after suffering from nervous breakdown, which resulted in partial paralysis of the face, blue eyes. "The trouble came on quite gradually, and at the end of it I did not pay much attention to it. Then it grew more serious, and there was a general breakdown of the nerves, which was followed by partial paralysis of the face, one side being completely drawn out of shape. I was under a doctor's care for a couple of months, and one treatment after another was tried without benefit. By this time I was confined to my room, and the doctor told me he could not cure me. He decided in despair I was persuaded to try Dr. Williams' Pink Pills. The improvement was slow, but the building up of a run-down nervous system naturally is slow. Shortly but surely this medicine did its work, and after a time I was able to get about my usual duties. The improvement was much more rapid and now I am as well as ever. I was in my life. My friends had upon me not even at almost insupportable. Dr. Williams' Pink Pills did for me what the best medical treatment failed to do—they brought back good health."

It is the blood-building, nerve-renewing power in Dr. Williams' Pink Pills that builds them to cure such troubles as anemia, rheumatism, the after effects of grippe, indigestion, neuritis, St. Vitus dance, partial paralysis on the one side of the face, and weakness of the head. Sold by all medicine dealers or by mail at \$6 a box or six boxes for \$25.00 from the Dr. Williams' Medicine Co., Brockville, Ont.

FOR SALE: THERE ARE NEW PEOPLE COMING TO EDMONTON EVERY DAY. THEY WANT TO FURNISH HOMES, AND THEY READ BULLETIN WANT ADS. HAVE YOU ANYTHING FOR SALE?

AROUND THE CITY.

Mayor McDonald's handsome new Oldsmobile motor car was on the street this morning and was being driven by the city engineer.

Robert Healy was arrested last night on a charge of assaulting Laura O'Brien, a woman living at 1001 10th St. He was afterwards released on bail. The case was set down for trial on Thursday.

The remains of the late C. de W. Macdonald will be taken to his old home at Friesen, N.S., this afternoon. The body will be accompanied by Mrs. Macdonald, who will return to Edmonton.

The smallpox cases in Edmonton have almost entirely recovered. One of the patients has been released and the other two at the Isolation hospital will be within the next few days. All the houses that were in quarantine have been released.

STROWER PHONES MONDAY.

The directory books for the new Strower phone will be distributed this afternoon and on Monday and the switch over from the old to the new will be made on the latter day. Subscribers will have to turn in their old books and a number of the old manual phones will be taken. These can be obtained by calling Linn Whitbread and then asking a conference number printed in light faced figures in the directory book. The switch over change can be obtained in the same way.

WILL PROTECT PARTRIDGE.

The Alberta Fish and Game Protective Association of Calgary have recently inspected 1000 acres of land in partridge into Alberta and have liberated them in Southern Alberta. The association has been successful in preventing game laws in an attempt to prevent partridge from being taken. The association has been successful in preventing game laws in an attempt to prevent partridge from being taken. The association has been successful in preventing game laws in an attempt to prevent partridge from being taken.

PREMIER TO REGINA.

Hon. A. C. Rutherford, premier of Alberta, leaves tonight for Regina, where he will attend the annual convention of the premier of the three prairie provinces to consider the question of the establishment and operation of a system of government-owned railways.

The principal business considered at the conference will be the question of government ownership of railway lines. The premier will also discuss the question of government ownership of railway lines.

The first suggestion that such a conference should be held was made at the recent interview between the Manitoba Grain Growers and the Manitoba government.

The Manitoba government has been discussing a motion in the Saskatchewan legislature to the effect of the appointment of a government-owned railway line.

SYNOD APPROVES OF HON. MR. CROSS

Continued from page one.

church there and an able preacher. It was suggested that the church be called after the late Mr. Warden Macdonald, and that a committee be appointed by the Home Mission committee to select the site and make other arrangements. It was further suggested that this committee should be authorized to get subscriptions to the amount of \$3000. Two-thirds of which would be put to the purpose of construction and the remainder to be entrusted to the church.

The Home Mission committee is a permanent committee to select the site and make other arrangements. It was further suggested that this committee should be authorized to get subscriptions to the amount of \$3000. Two-thirds of which would be put to the purpose of construction and the remainder to be entrusted to the church.

INDUSTRIES OF EDMONTON

The Huff Grading Company, Limited—The Development of an Important Industry.

To the newcomer to Edmonton by way of Strathcona one of the first attractions as he enters the city over the Saskatchewan bridge is the busy hive of industry a short distance up the river. These houses are soon well submerged in the water, a short distance away a giant dredge is working in the river, and from the waggon in which the houses are situated small cars run up an incline to an immense crushing machine which revolves with a deafening noise.

The plant is that of the Huff Grading Co., Ltd., the dredge is used to gather the sand and gravel from the river and the giant machinery on the bank of the river is the gravel washing outfit.

Business Has Rapidly Grown. The business had grown from a

could be supplied with stone and gravel for the streets and for building purposes.

For some years he had built gravel from the bank of the river to fill the demand, but the ever-increasing need and the difficulty of obtaining gravel of a good clean quality soon made him realize that a new method must be secured. The old-fashioned way was to drive the waggon to the bar and load from there. This, however, was slow and tedious as the bar was submerged three to four months of the year, leaving the gravel very dirty with clay and other silt. To separate the clay from the stone it was necessary in the early times to screen it by hand to make it fit for concrete use and for

Local Company Formed. In 1903 Mr. Huff formed a local

East, and also in the American cities, examining gravel plants there, in order to secure the best for Edmonton. He purchased a large hauler dredge, together with other working apparatus, so that now he is in a position to obtain gravel from the bed of the river at any time during the summer, and by means of screens, first down the river to the washing plant. Here it is screened by means of coarse, then the washing screens, where it passes through long rollers, after which it is thoroughly washed, leaving it free from dirt or clay of any kind.

Screens of Different Sizes.

These screens are so arranged as to separate the different sizes of gravel into different bins, and send out the larger stones direct into the rock crusher. This makes them of uniform size fit for the market in the shape of broken stone. In washing the gravel also there is an appliance for catching all the heavy or good sand which is preserved for use for all kinds of masonry. By this method also the surplus clay and dirt is removed.

Snow Storm in Buffalo. Buffalo, N.Y., May 1.—Seven inches of snow fell yesterday and today. At Jamestown it is ten inches deep.
